## **Statement from the director of the Institute of Geonics of the CAS on the progress of the evaluation**

The progress of the evaluation of the Institute of Geonics of the CAS was carried out in accordance with the Methodology of evaluation of research and professional activity of research-oriented institutes of the Czech Academy of Sciences for the period 2015–2019.

## **Statement from the director of the Institute of Geonics of the CAS on the final report**

I have no objections or comments concerning the Summary Final Report on evaluation of the Institute of Geonics of the CAS.

Dr. Josef Foldyna  
director
